

Children's Ministry Update 11-20-2020

Oh, my friends! How are you doing? I am praying for you and your kids! I hope that you are able to notice something to say, "Thank you!" to Jesus this week especially.

The word **preparation** caught my attention today. It is a keyword in our Kids in the Bible lesson for this next Tuesday and we discussed it previously. The boy with the loaves and the fishes in John chapter 6 must have brought his lunch with him to have those loaves and fishes that Jesus used to feed 5000 people. His preparation accomplished much!

Our Kids in the Bible study on Tuesdays and the Children's Moments on Sunday mornings are about preparation. I am preparing and helping the kids to prepare for whatever God asks of us. Our in-the-moment-readiness is related to our beforehand preparation. I am learning and I hope the kids are learning as well. **If your kids haven't been involved, consider them invited.**

2nd - 6th graders Kids in the Bible Tuesdays 4-5 p.m. on zoom. <https://us02web.zoom.us/j/83704799765>

Younger kiddos - Zoom connect Thursdays at 4-4:30 p.m. Our **first test of this will be December 3.** <https://us02web.zoom.us/j/83704799765>

P.S. I use a waiting room feature on zoom so we avoid random visitors in our meetings!

Thankful for the opportunity to work with your kids!
